New MGR Youth Program

The purpose of Youth Membership within the MGR is to educate, improve, and develop the capabilities of youth members both individually and through group participation. Raising Myotonic goats and showing them encourages growth in such skills as personal responsibility, group interaction, and leadership.

The MGR will collect, record, and preserve the records of youth member competitions from year to year, periodically publishing a summary of results on the MGR website.

Healthy competition between youth members is encouraged throughout the year with annual high point cash incentives going to first through third place in the two age divisions (6-11 and 12-18).

- Open to youth between the ages of 6 and 18.
- The youth does not have to own their own goat; they may use any available registered MGR goat.
- Earn points thru, Showmanship, Show Participation, and Show Assistant work
- Earn participation points outside the show ring by giving an Educational Seminar, Demonstration, Workshop.
- Earn points by participating in a parade, petting barnyard, cart, or pack goat event.
- When a youth reaches 18, they may compete for a \$500 collage scholarship.
